

For QA pairs generated from comments, we hope the question and answer to be grammatical correct and the answer should be relatively short (Do not write full sentence for the answer, a few words or phrases are expected). Also, please copy and paste the original sentences from the comment from which your QA pair are generated. If your QA pair is came from multiple sentences, copy and paste all of them. Please look at the two examples below:

Comment: This painting was inspired by the painter's travels in Italy. The costumes of the two girls and the landscape suggests the Amalfi coast, or Capri as the setting of the scene.

Question from comment: Where did the author of this painting get the inspiration from?

Answer for the Question: Italy

Source of the QA pair: This painting was inspired by the painter's travels in Italy.

Comment: The left side of the painting was cut, originally Saint John was depicted behind Mary, and the motive of hand kissing was in the centre of the composition

Question from comment: Which side of the painting was cut?

Answer for the Question: The left side

Source of the QA pair: The left side of the painting was cut, originally Saint John was depicted behind Mary, and the motive of hand kissing was in the centre of the composition
